June 2008 Pray Letter

Greeting to all friends and supporters!

The Lord is truly wonderful! Praise His Holy Name! It is such a joy to share the Word of God in the prison units. We have been able to be in several meetings since the last letter. Ann is still improving and we appreciate all the thoughts, calls, and prayers on her behalf.

On Sunday morning May 18<sup>th</sup> we visited the Love Valley Baptist Church in Kings Mountain. The Lord blessed and Pastor Barry Philbeck gave us an opportunity to introduce ourselves and dismiss in prayer. The congregation gave us a warm welcome. We were at the Liberty Baptist Church in Statesville on May 25<sup>th</sup> to preach and present our burden for the inmates. We were given a warm welcome by Pastor Roger Holland and the congregation. We desire your prayers as we continue to raise support.

On Sunday June the 8<sup>th</sup> we visited the Redemption Baptist Church in Statesville. Brother Eddie Brown is the pastor. We enjoyed the worship services and were given a warm welcome by the pastor and congregation. Brother Brown allowed us a few minutes to present our burden. Praise God for allowing us these opportunities. That evening we worshipped with the folks at the Community Baptist Church in Mt Mourne. Rev. J.R. Speese, the pastor and congregation gave us a warm welcome. Ann sang, I preached and gave an update on the ministry. We joined the worship service on Fathers' Day at the Houston Road Baptist Church in Troutman. Brother Chancee Carter is the pastor. Praise the Lord for their support to the ministry. We appreciate your all your prayers and support as we offer the gift of salvation to the inmates and the lost of our communities.

Brother James Draughn, the Prison Prevention Director continues chemotherapy. Our daughter-in-law, Beverly and her family covet your prayers in the passing of their mother, Ella Graham. There are many needs of prayer we ask you to remember.

93 professions of faith this year. PRAISE HIS NAME!

Thanks for your support of \_\_\_\_\_

Matthew 25:36, 40
