August 2008 Pray Letter

Greeting to all friends and supporters!

Praise His Holy Name! It has been such a joy to share the Word of God in the prison units. The team has been able to be in meetings in Marion, Lincoln, Catawba, and Alexander, Wilkes and Troy units. There have been meetings also in the three juvenile units. We had our first service at the Catawba Correctional Unit in Newton on Saturday evening August 2<sup>nd</sup>. Several inmates attended the service. The chaplain was very cordial and the Lord blessed.

Pray for the revival meetings which are scheduled for the Lincoln County unit in August and the Marion Correctional unit in September. Ann went to Marion on August 14<sup>th</sup> for the orientation class. This will enable her to work in the two units there. Brother Joe Hendricks has been in contact with the correctional facility in Shelby. It is our pray to be in that unit in the near future. Thank God for allowing us to share the gift of salvation and forgiveness to the inmates. God is SO GOOD!

Ann and I have had the opportunity to visit several churches and present the burden for the inmate population. We praise the Lord for each opportunity we have to preach and present our burden for the inmates. It is a great opportunity to meet pastors and missionary-minded children of God. We desire your prayers as we continue to raise support.

Brother James Draughn, the Prison Prevention Director has discontinued chemotherapy. Praise God for His healing power! We are praying God will open more door for the prison prevention program as a new school years begins. Sister Lori Tilley had surgery in July and is improving. Mrs. Lavon Barber is experiencing health issues and Ann is having health issues again. They are both undergoing tests. There are many needs of prayer we ask you to remember.

We have been in contact over the past several months with Pastor David in Homa Bay, Kenya, Africa. He has asked us to come and preach in a crusade in the villages there as well as in Lake Victoria. We are praying for God's guidance as this will be a long journey and there is a great financial need.

117 professions of faith this year. PRAISE HIS NAME!
