Dear Prayer Warriors,

Greetings in Jesus name. These days have been very busy but very blessed. We have been in ten Prisons in two months. We had a Revival at Lincoln Correctional Center. This unit was converted from a medium to a minimum custody Unit this month. So we had a whole new crowd there for the Revival. Opening night, we had men asking prayer for themselves for bitterness in their lives and problems with their tongue. That is a good way to start a revival, with people getting right with God. We had a great meeting there with many people getting help. **We had one man make a profession of faith in the Lord.**

We had meetings in nine other units. God is still opening doors and we are still walking through them. In these meetings, **we saw nine more men make professions of faith in the Lord. To God be the glory.** You're Missions money is still working. Let me tell you about one service in Wilkes Correctional. Brother Von Ramsey and I went to preach that night. At the end of the service, I saw something that we have not seen in a while. A 47 year old man came running to the altar and said I have kept my hand clinched against God so long, but tonight I am giving my life to Him. He asked God to save Him. What a privilege it is to see the mighty hand of God work in these men's lives and to be a part of it.

We also had the privilege of preaching a Revival at the Gloryland Baptist Church in Statesville last month. We had a great meeting there with people on the altar getting help from God each night. Thank you for letting us be apart of meetings like these. We see God work in the Prisons but what a blessing to see him do it in the Churches as well. All we need is to desire Him and He will show up.

September 5th I went to Beacon School for boys in Grover, S.C to try to finish some sheetrock for Brother Tom Sees, there at the home. I want to thank Brother Phil Hubbard and Brother Shane Whisnant, for giving up a Saturday to help this great ministry. I am not very good at finishing sheetrock, but they are and I thank them for making a difference. Many feel that if they are not a preacher there is nothing for them to do. This is simply not true, if you are willing to help, there is much to do. Brother Tom still needs many things done there at the Home. We hope to go back the end of the month and do some more. There are needs just like this all around the world. Will you help? Maybe you can't go full time, but will you go for a day or a week? In Grenada right now there are needs in the area of building. There is much to do and you can make a difference. You see, giving and going, working and witnessing, is our reasonable service.

I am going back to Grenada November 2-12. We hope to hold a tent meeting in one of the villages (We will be working with Pastor Dennis Celestine and Pastor Francis Houston) as well as services in Richmond Hill (the prison there). I realize that the economy is bad and money is tight but we feel that God wants us to go. Maybe you would like have a part in this trip. If the Lord would lead you to help us with this trip send any money marked Grenada trip and it will be used for this purpose. Or maybe you would like to go, if so, contact us soon and we will try to get you lined up to go.

In closing, let me say thank you again to all of you that Give, Pray and Go with us to the Units and to the work. We have had one new supporter this month, with several saying that they are going to take us on for support. Thank you for your continued support to our ministry. Please keep praying for power in our preaching, safety as we travel and souls for our Labor. May God richly bless you as you serve Him.
