Supporters and Prayer Partners:

Happy New Year to All! The Lord is truly gracious in allowing us to see another year to work in the harvest fields and praise His Holy Name! The ministry finished a great year in 2009. We were able to see 209 professions of faith in our Lord and Savior. We were able to be in seven prison meetings in December as well as a training class at Mountain View Correctional in Spruce Pines, North Carolina. We ended the year preaching in a watch night service at the New Hope Baptist Church in Candler, North Carolina. We were blessed to hear Brothers Dwayne Barber, Bud Lance and Rick Hilderbrand in the final service of 2009. Brother Larry Nantz is the pastor there.

The year has started well with the meetings having nine saved. Ann and I continue to visit churches to present the need for the ministry. The program coordinators in the correctional system tell us the ministry is a great asset to the inmate population. Our volunteer services save the state millions of dollars annually. According to their records in 2008, 78,630 individuals volunteered in the NC DOC with an average of 6,552 inmates entering correctional facilities monthly to provide services. They donated more than 398, 121 hours of valuable

time helping others. At \$18.77 per hour (national estimated rate of volunteer services) they saved taxpayers 7.4 million dollars. Our prayer is God will open more doors, but we need your help. Several meetings are scheduled for the year. Pray for us as we travel.

Brother David Teague is still recovering from back surgery and blood clots. He is beginning to travel with the team again. Continue to pray for his full recovery.

The Collection of the Saints Ministry program is going well with Brother Miles Griffin and Brother Daniel Scarberry helping families with food, clothing and baby items. We appreciate all your prayers and financial support in this effort. Thanks again and may God bless you for your support. Visit the website for updates and meetings. Thanks to our website provider McBryde Website Design in Mooresville for their help.
