**Dear Church Supporters and Prayer Warriors,**

**January 2010**

**Greetings in the Wonderful Name of our Lord and Saviour, King Jesus. We are now officially in the month of January and that means we are already in the winter of another year. Time goes by real quick it seems and souls are hanging in the balances ready to be saved.**

**I want to let you know that the ministry is doing real good. Since the first of this year there has been 4 souls saved. What a blessing to see more souls being saved and may be the next one that gets saved the rapture will take place and we can go home to be with Jesus, Praise his Holy name.**

**To some of you it has been a while since you got a newsletter. Let me apologize to that affect. In the month of May I had to have back surgery. They had to cut down a spur on L4 an L5 to relieve pressure on the nerve that was under them, After I had this surgery and was doing Ok until my chest started hurting and I had to go to the emergency room where I discovered that I had two blood clots in my lungs. During that time I had fallen at home and caused L1 to become fractured. The day after the 4<sup>th</sup> of July I got to go home. Since then I have been recovering and started back going to the prison and a few church services. Please ask for the Lord to heal us so we can get back full time in the work of the Lord.**

**I want to thank all of the churches for you're continually support of your prayers and also of your monthly support. If you have any questions about the ministry feel free to call our main office and they will fill you in on what has been going on.**
