Greetings to All and a Happy New Year!

We hope everyone had a blessed Christmas. Ann and I were very blessed as we were able to celebrate with family and friends. Although we both had the "flu" and upper respiratory infections we were able to travel and attended some prison meetings. During December several of the units have other groups coming in to help with activities and meals so there were fewer meetings. Other members of our team were involved in meetings also.

For the year we had a total of 104 souls to accept Jesus Christ into their hearts. Praise the Lord for his mercy and grace. We are looking forward to a new year to share the Word of the Lord in the prison units and other areas that may be opened to us. This is our eleventh year as Offering Hope Ministries, and we have been working in the prison ministry for eight years. We praise the Lord for allowing us to lead hundreds of souls to Christ.

We have several special requests of prayer. Continue to remember Brother David Teague in his health needs. Also Brother Brian Barber has seen a renowned plastic surgeon in Cleveland, Ohio hoping to receive a tongue transplant. According to previous transplants, additional studies are needed due to nerve connections. The doctor has suggested reconstruction of the jaw first to replace tissue loss due to the injury five years ago. Ann has been undergoing therapy for a rotator cuff tear and bone spurs. She is hoping to avoid surgery. She is still having trouble with osteoarthritis, and bursitis in her hip joints.

We are experiencing some changes in the ministry. We have had one missionary to resign and another is experiencing health issues. Changes are being made in the scheduling of the meetings, but we are looking forward to a new year as God leads. As our health, and the weather permits, we are looking forward to traveling as the Lord opens new doors for us. Thanks to all who supported us financially and with your prayers during the past years. We appreciate the new churches that have begun supporting us. May God bless each one is our prayer.

In His Service,

Bobby and Ann Jones
